Dear Pastor

Graham has been a faithful, reliable member of Richmond Assembly of God now for years.

He is a man of honesty and integrity and his only desire is to serve the Lord with all his heart.

All through his time with us he has shown a zeal for God in soul winning, healing and a real loving heart for people with all kinds of needs.

Recently he has piloted a new series of half-hour TV programs for the Full Gospel Businessmen's Fellowship. His heart now is to commence an Evangelistic ministry named Southland Faith Ministries International. This ministry is endorsed by and will function under our covering at Richmond Assembly of God.

Graham's desire is to work beside local churches to assist them in winning of souls to Christ and to see hurting people healed and set free.

I commend him to you. Should you wish to know more, please feel free to contact me personally.

Warmly in Christ

Philip H. Hills
